The specifications and major features listed herein are accurate as at the date of printing (August 2014/14YM). However, Honda Australia Pty. Ltd. reserves the right to change or modify specifications and major features at any time without prior notice. Due to ordering, shipping and freight factors, some colour, model, option and accessory availabilities may vary from time to time. Check with your Honda Dealer for current information. Only Genuine Honda Accessories are made to fit Honda vehicles. The fuel consumption figures quoted in this brochure are based on ADR81/02 test results. You may experience different results depending on driving conditions and the condition of the vehicle. Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the vehicle's owner's manual. Please refer to Honda's warranty documentation for exclusions and conditions. Honda Australia Pty. Ltd. recommends careful examination of all official Honda warranty documentation before purchasing. This brochure is printed on HannoArt, a paper that is certified carbon neutral by the Carbon Reduction Institute (CRI) from seedling to printer. Made with Totally Chlorine Free (TCF) pulp which has been sourced from managed plantation forests. HannoArt is manufactured under the world's best practice ISO 14001 Environmental Management System. The pulp used is Process Chlorine Free and is manufactured by an ISO 14001 certified mill. City VTi-L shown in Brilliant Sporty Blue Metallic on cover. HOD0536

The Power of Clever Thinking

**CITY**

The all-new Honda City.  
Your personal space in the heart of town.  
That's the power of clever thinking.

What do you call a small car  
that's built for the big city?

The City – naturally. Although to call  
it a small car is a little misleading.  
From the outside, its sporty,  
streamlined profile may appear  
compact, but take a seat inside  
the futuristic cabin and you'll find  
quite the opposite. The clever  
engineers at Honda have used  
every millimetre of space to its  
fullest potential, creating incredible  
storage capacity and all the  
personal space you'll ever need.

It's not so much a small car as a  
light sedan. But it's anything but  
light when it comes to features.

It begins with an economical  
1.5 litre i-VTEC engine, using as  
little as 5.7 litres of fuel per 100km\*  
whilst producing 88kW of power  
any time you need it. Wherever  
the City takes you, its advanced  
safety features are constantly  
working to help keep those you  
love safe and sound. Everything  
from the Display Audio system to  
the sleek exterior design is built to  
bring you in tune with the big city.

So what are you waiting for?  
It's time to get exploring.

\*The fuel consumption figure quoted is based on ADR81/02 test results for automatic transmission.  
City VTI-L shown in Modern Steel with optional Sports Pack.

## STANDING OUT IS THE NEW FITTING IN.

Who wants to look like everyone else? At Honda, we believe better is beautiful. So we've made sure the all-new City looks as unforgettable as it feels to drive.

Smooth lines and dynamically sculpted side panels arise from the elegant chrome front grille. Electrically adjustable door mirrors have been fitted with LED turn indicators. Add a pair of sleek taillights and a shark fin antenna, and the City is one attractive prospect.

Want to take it to the next level? The City VTi-L features fog lights, chrome door handles, electronically retractable door mirrors, as well as a striking set of 16-inch alloy wheels. For a more athletic edge add the optional Sports Pack\* which includes a Modulo designed rear wing spoiler, side skirt set, front and rear under spoiler, topped off with a specially designed Honda sports grille.

It's not all about looks, of course. Every angle of the City has been cleverly sculpted to reduce drag and maximise efficiency. Style has never looked smarter.

\*Sports Pack is available as a factory fit option for Alabaster Silver Metallic, Crystal Black Pearllescent, Modern Steel Metallic and Taffeta White VTi-L vehicles – limited time only. Sports Pack inclusions may be purchased as an accessory option for remaining colours (each sold separately).  
City VTi-L shown in Brilliant Sporty Blue Metallic.

Let the city be  
your sanctuary.

It's a big city so why should you compromise on space? The City can comfortably accommodate five adult passengers with room to spare. You and your passengers will enjoy increased head room, leg room and shoulder room, which all adds up to a lot more breathing room.

But there's more to this interior than space alone, thanks to luxurious touches like the stylish black fabric

seat trim and modern piano black dashboard. For added extravagance, the VTi-L model also offers a handsome leather-wrapped steering wheel and gear shift knob as well as chrome accents throughout.

And thanks to a cabin built for better all-round vision you'll enjoy the outside view just as much. Wide windscreen, slimmer pillars and lower door mirrors mean nothing will escape your attention in the City.

It pays to be  
street smart.

Knowledge is power. That's why the City puts the most important information in direct sight with the minimally arranged dashboard. The Multi Information Display (MID) ensures your average fuel economy, distance to empty and average speed are easy to access.

To help you stay in control, buttons for audio, cruise control and connected Bluetooth® devices\* are mounted on the steering wheel, while your central 7-inch touch-activated colour screen takes care of

the rest. There you'll find the multi-angle reversing camera display, your music library, contact list\*, and many other things you love about your smartphone.

Embrace the little luxuries, like cruise control, power windows, and a tilt and telescopic adjustable steering wheel. In the VTi-L model, there's even more to love, with button-free electrostatic climate control, 12V power outlets ideal for charging smartphones, and four extra tweeters (for a total of eight speakers).

\*Requires compatible Bluetooth device. The Bluetooth word mark is owned by Bluetooth SIG, Inc. and use of such mark by Honda is under licence. Please check the list of compatible phones at [honda.com.au/Bluetooth](http://honda.com.au/Bluetooth) City VTi-L shown.

# Eyes in the back of your head.

Camera observes

Normal view

Wide view

Top-down view

Put the City into reverse and the multi-angle reversing camera is instantly at your service. Not just one, but three views ensure that anything behind you is in plain sight. Switch easily between an astounding 180° normal view, wide view or handy top-down view. With dynamic guidelines to plot your projected path, the outlook is very good indeed.

Multi Information Display (MID)

Get all the drive statistics you'll ever need with the clever Multi Information Display. At just the touch of a button view outside temperature, average and instant fuel consumption, trip meter, distance to empty and more.

12V power outlet

The battle with your smartphone battery is officially over. With a clever onboard power outlet, the City lets you charge any device on the go – you'll find one in the VTi model and three in the VTi-L model.

Cruise control

When escaping from the hustle and bustle of the city give yourself a break by locking in your perfect cruising speed and the City will do the rest. Not only will it make your trip a breeze, it will optimise your fuel economy.

Storage

When it comes to storage space, you'll be amazed at what the City is capable of. There's clever storage everywhere you look, whether it's the perfect spot to place your latte or your mobile phone, everything has been thought of in advance.

Boot space

When it comes to boot space the City has it in spades. Its class-leading<sup>~</sup> boot space of 536 litres gives you enough room to go on a shopping spree.

60:40 split-fold rear seats

As if there wasn't enough space already the cleverly designed 60:40 split-fold rear seats allow you to fit more in while still leaving plenty of room for rear passengers. With one simple fluid motion you can split the seats 60:40 to accommodate cargo of any shape.

Tilt and telescopic adjustable steering wheel

The City is equipped with a steering column that is designed to adjust to your comfort. A small lever allows you to tilt the column up or down and move it closer or further away so the steering wheel is always in your ideal position.

Tweeters

Surround yourself in crystal clear sound with the impressive eight-speaker system in the City VTi-L, which includes four tweeters for improved sound quality.

Electrostatic touch-based climate control panel<sup>1</sup>

Conduct the interior climate from the front seat using the button-free electrostatic climate control. With an up or down swipe of the finger over the panel you can pinpoint your perfect cruising temperature, one degree at a time. Just like magic.

Smart keyless entry

The City VTi-L knows when you're approaching. Leave the key fob safely in your pocket or bag and the doors will automatically unlock when you touch a front door handle or boot release button.

Push button start

With the key fob in range, the City VTi-L comes to life at the push of a button. Just press your foot on the brake pedal and hit start. Turning the car off is just as simple.

Retractable mirrors

In the City VTi-L the adjustable door mirrors are also electrically retractable, allowing you to fold them safely out of harm's way when they're not in use.

<sup>~</sup>Source: JATO Dynamics, VFACTS Light Sedan: March 2014. <sup>1</sup>VTi-L model only.

Display Audio

# Stay connected from any corner of the City.

Change the music. Answer a call\*. Hear a text message†. The 7-inch colour Display Audio unit is the infotainment hub for your City. With just a tap, pinch or swipe, you're in full command. You can also use the steering wheel-mounted audio controls or hands-free Siri voice commands†. And now you can even watch video when your City is stationary†. So wherever city life takes you, the sounds and features you love are never far away.

Bluetooth® controls

USB ports

Multimedia audio system

There's nothing like the perfect tune to complement a beautiful drive. With a CD player, USB ports and HDMI® port, plus Bluetooth® audio streaming\*, all the City requires of you is to select a song for the journey. Of course, if you prefer surprises, you can always tune in to your favourite station with the AM/FM radio.

USB/HDMI ports

The Display Audio system makes browsing any audio library a breeze. With your compatible smartphone or MP3 media device plugged into the USB port, you can view the song title, artist, and even album art if this information is available. Scroll through your playlists right there on screen, or use the steering wheel-mounted controls. The display will even project MP4 video and photos via HDMI provided your City is in park mode†.

Bluetooth® connectivity\*

Your smartphone and the City make the perfect pair. With Bluetooth® connectivity\*, you can take calls while you keep your hands on the wheel and even make calls using pre-assigned voice-tags. The Display Audio touchscreen becomes your control centre, allowing you to browse contacts and call history, as well as stream tunes straight from your phone's music library. Talk about being in sync.

Siri Eyes Free†

The intelligent personal assistant makes a handy addition to the iPhone. But where Siri really comes into its own is on the road. Just press the voice command button on the City steering wheel and ask Siri to call someone on your contacts list, play that song, read and compose text messages or emails, add a date to your calendar, check what the weather's doing, and more. All while your eyes remain on the road.

In a busy city  
you need a car  
that can keep up.

First it's brunch, then lunch, then dinner and a movie followed by a late night karaoke session. Yes, life in the city can see you jumping from one occasion to the next. So you need a car that can keep up with your busy social schedule.

Thanks to the supremely economical 1.5 litre i-VTEC engine you've got the right power and performance under the bonnet to do just that.

#### Engine

Honda's i-VTEC engines are designed to deliver strong fuel economy, lively performance and cleaner emissions.

The 1.5 litre SOHC i-VTEC engine in the Honda City benefits from Honda's variable valve timing system, an innovation that optimises fuel economy at low revs and increases power at high revs. Enabling the engine to deliver 88kW at 6600rpm while consuming only 5.7 litres of fuel per 100km\*. And with this efficiency comes impressive emissions performance, too.

#### Transmission

A clever car wouldn't be complete without a clever transmission, and the newly developed Earth Dreams Continuously Variable Transmission (CVT) is just that. With innovative G-Design Shift logic, the CVT is designed to ensure a quick off-the-line acceleration and a smoother, more natural driving feel. CVT also helps the hip-pocket through enhanced fuel efficiency achieved by always operating at the optimum RPM level.

The VTi is available with the automatic CVT or 5-speed manual transmission. Whilst the VTi-L offers race-inspired steering-wheel mounted paddle shifters for a performance-orientated drive.

#### Eco Assist

Advanced technology is only part of good fuel economy. The other side of the equation lies with the person in the driver's seat. Imagine a driving coach that helps you to drive more efficiently.

Eco Assist is a visual training system that responds to your drive. Brake or accelerate heavily and the outer ring of the City's speedometer glows blue. Keep it smooth and under control and you'll be rewarded with an encouraging green glow.

#### ECON Mode

Every City fitted with automatic transmission is equipped with ECON Mode. Simply engage the green button and your City does exactly what you might expect by adjusting engine behaviour, transmission style and air conditioning functionality to maximise fuel economy.

#### Chassis

When you look smooth you have to act smooth, and in this department the City doesn't disappoint.

By teaming Electric Power-assisted Steering (EPS) and a rigid high-tensile steel body with a low centre of gravity, the City is just as composed taming tight corners, as it is tight parking spaces. Add this to a newly refined suspension system and the City is smooth and comfortable, absorbing the shock and vibrations of bumps in the road so you don't feel a thing. Say goodbye to road noise too, thanks to thicker glass and greater use of high-density materials.

**EARTH DREAMS**  
TECHNOLOGY

\*The fuel consumption figure quoted is based on ADR81/02 combined test results for City with automatic transmission. City VTi-L in Brilliant Sporty Blue Metallic.

# HONDA IS COMMITTED TO DESIGNING EVERY MODEL WITH EXCEPTIONAL SAFETY FEATURES. WE EVEN BUILT THE WORLD’S LARGEST OMNI-DIRECTIONAL CRASH FACILITY TO TEST OUR CARS MORE THOROUGHLY.

## Pedestrian protection

Research has proven that sophisticated protection features, like windscreen wiper pivots that break away on impact and energy absorbing front guard mounts, dramatically improve a pedestrian’s chance of survival if struck. So naturally they come standard on the City.

## Vehicle Stability Assist (VSA) with Traction Control

This technology helps keep the City on course in adverse driving conditions by detecting, then mitigating, potential understeer or oversteer. When necessary, VSA automatically reduces engine power and manages brake pressure to individual wheels to help regain control.

## Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)

The City comes armed with ABS for superior stopping power. When emergency braking is detected, Brake Assist applies maximum braking pressure whilst EBD monitors and adjusts the brake force applied to each wheel for greater control and stability.

## Airbags

The clever Honda i-SRS driver airbag system inflates at different rates depending on crash severity, seatbelt usage and a host of other factors to keep you safe behind the wheel. Dual front, side and full-length curtain airbags are standard.

## Automatic tensioning seatbelts

Because there’s no cargo more precious than the people you love, the moment you’re involved in a collision, the same sensors that deploy the City’s airbags automatically retract the front seatbelts. You and your passenger are instantly pressed back safely into your seats.

## Hill Start Assist (HSA)

Hill Start Assist prevents ‘rolling back’ when starting on an incline. The system controls brake pressure, keeping the car stationary for a moment as you release the brake pedal and prepare to accelerate.

## Advanced Compatibility Engineering (ACE)

The City has been designed with an innovative body structure, engineered to absorb and deflect the force of a frontal collision away from the passenger compartment, improving the safety of every occupant.

## Speed alarm

Alerts the driver with an audible and visual warning if a pre-selected speed is exceeded.

## Whiplash mitigating front seats

In the event of a collision, the seatback springs are optimised so that the seat will more equally absorb the occupant’s impact, in a manner that can minimise the severity of a whiplash injury.

## Emergency Stop Signal (ESS)

If an emergency situation forces you to brake heavily, drivers behind you need as much warning as possible. Emergency Stop Signal does just that, automatically flashing the hazard lights in the event of hard braking to reduce the chance of a rear-end collision.

## Multi-angle reversing camera

The City comes with a reversing camera as standard, so you’ll feel just as safe going backwards as you do going forwards. With three modes available (180° wide angle, normal angle, and top-down) and dynamic guidelines to plot your projected path, the outlook is very good indeed.

# Select your model and colour.

## VTi

The VTi comes standard with:

- 1.5 litre SOHC i-VECTEC 4-cylinder engine
- 5-speed manual or CVT automatic transmission<sup>^</sup>
- Electric Power Steering (EPS)
- 15-inch steel wheels
- Chrome front grille
- Electrically adjustable door mirrors with LED turn indicators
- Halogen headlights
- Remote keyless entry with boot release
- Air conditioning
- Cruise control
- Eco Assist
- ECON Mode (automatic transmission)
- 60:40 split fold rear seats
- Accessory 12V power outlet (x1)
- Four speaker audio
- Display Audio (7-inch colour touchscreen) including:
  - AM/FM radio and CD player
  - Bluetooth<sup>®</sup> phone and audio connectivity<sup>^</sup>
  - USB ports (x2)
  - MP4 movie file play<sup>†</sup>
  - Siri Eyes Free<sup>®</sup> mode
  - Multi-angle reversing camera
- Multi Information Display (MID)
- SRS airbags: dual front, side and full-length curtain
- Anti-lock Braking System (ABS)
- Electronic Brake Force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Vehicle Stability Assist (VSA) with Traction Control System (TCS)
- Whiplash mitigating front head restraints

## VTi-L

Additional features over the VTi:

- CVT automatic transmission only
- Steering wheel-mounted gear shift paddles
- 16-inch alloy wheels
- Brushed chrome front grille
- Chrome exterior door handles
- Electrically retractable door mirrors
- Front fog lights
- Smart entry and push button start
- Accessory 12V power outlet (x3)
- Climate control
- Eight speaker audio
- Leather-wrapped gear shift knob
- Leather-wrapped steering wheel

### Optional Sports Pack<sup>‡</sup>

- Modulo front and rear under spoiler
- Modulo side skirt set
- Modulo rear wing spoiler
- Sports grille

## Trim

Black fabric seat trim – VTi and VTi-L models.

You're never alone in a Honda.

Buy a City and you'll be amazed at how well you'll be looked after.

The care starts with a 3-year/100,000km warranty and 6-year rust perforation warranty\*.

You'll also have access to HondaONE, an exclusive website that gives you up-to-date service history, vehicle records, maintenance tips and service reminders.

Plus we have a range of benefits that ensure your City is as pleasurable to own as it is to drive.

#### Dedicated Honda Care

Servicing your City at a local Honda Dealership will ensure you protect your investment and maximise its outstanding resale value. Dedicated Honda Care provides access to specialist diagnostic equipment and Honda Genuine Parts. There's also the advantage of factory-trained technicians with unparalleled knowledge of Honda products.

#### Honda Capped Price Servicing~

At Honda, we believe you should have a clear idea of what it will cost to maintain your vehicle and maximise its value. That's why we've introduced Honda Capped Price Servicing. Available nationally through all Authorised Honda Dealers, it sets a maximum price for each of the scheduled services on your City.

#### Honda Warranty Plus\*

Purchase Honda Warranty Plus and your City will be protected with no claim limits and no cost for labour and parts for 5 years or 140,000 kilometres (inclusive of New Vehicle Warranty). You'll also be entitled to 5 years' Premium Roadside Assist. Visit [honda.com.au/warranty](http://honda.com.au/warranty) for more information.

#### Honda Insurance^

If you're looking for cover as reliable as your City, you really need Honda Motor Vehicle Insurance.

You'll enjoy a range of benefits, including:

- 3-year new replacement if your Honda is a total loss.
- Genuine Honda approved parts for the first 3 years.
- Lifetime guarantee on authorised repairs.

For more information visit [honda.com.au/insurance](http://honda.com.au/insurance)

#### Honda Finance

Whether you're buying a Honda for yourself or a business, we have a wide range of flexible finance and leasing options.
